DESCRIPTION

This women’s summer hat features a round crown and a wide brim that combine sun protection with a refined silhouette. Constructed from paper fibre with a polyester sweatband, it provides lightweight comfort for extended wear. The hat is offered in several colour options and comes in one size.

The visible braided construction defines the brim and crown and the flat ribbon around the crown base adds a neat finish. A TearAway label simplifies removal or re-labelling. Care is straightforward: handle gently and avoid prolonged exposure to moisture to maintain shape.

This hat can be personalised by embroidery for companies, sports clubs, associations, events or private customers — personalised hats available from a single item.
