Brand	Beechfield
Composition	100% Nylon
Material	Nylon
Average weight	80 g
For	Unisex
Labels and certifications	Global recycled standard
Country of origin	China
Carton	96 pieces

DESCRIPTION

Unisex outdoor hat in 100% recycled nylon: a bucket-style shape with a wide brim for sun protection, a Coolmax® sweatband for moisture wicking and water-repellent fabric. The removable chin cord with an adjustable toggle gives secure fit in breezy conditions; available in S/M and L/XL. A detachable label makes re-labelling straightforward.

The hat features practical finishes—soft brim, reinforced crown stitching and a lightweight construction that packs down easily. It comes in several colours, for example Black, Military Green and Peeble, and is suitable for outdoor activities, field teams and event staff.

Personalised hat options include embroidery (embroidery) to place your logo on the front or on the sweatband. Ideal for companies, sports clubs, associations, events and private customers; customisation is possible from one piece.
