DESCRIPTION

This waist bag comes as a keyring/strap made from high-density polyester, built to withstand daily use. A wide polyester loop forms a practical wrist strap or hanger, paired with a metal clip and a split key ring. The One Size design keeps it lightweight and easy to care for.

Details include reinforced stitching at the attachment point and a robust clasp to secure keys. The compact, unobtrusive shape works well worn on the wrist or hung inside a bag. The item is offered in several colours, for example Black, Orange or Royal.

This personalised waist bag can be decorated using screen printing transfer, MSO transfer, DTF printing or flex (flocking). Suitable for companies, sports clubs, associations, events and private customers who need a branded, practical accessory. Our studio can also vectorise or retouch your logo.
