Reference	BG186
Brand	Bag Base
Composition	100%
Material	100% Recycled polyester
Average weight	480 g
Labels and certifications	Global recycled standard
Country of origin	China
Carton	20 pieces

DESCRIPTION

Functional roll-top backpack in recycled polyester, designed for everyday use. Unisex, one-size construction with padded adjustable shoulder straps and a top carry handle for easy handling. The main compartment secures with a roll-top closure fastened by a clip buckle, allowing the capacity to be varied according to need.

The bag includes a front pocket and integrated side pockets for a bottle or small items. Visible features include neat seams and reinforced stitching at stress points; the detachable label makes re-labelling straightforward. The overall silhouette is slim and practical, as shown on the photo, and spot cleaning is recommended for this recycled synthetic fabric.

Suitable as a personalised backpack for companies, sports clubs, associations, events and individuals. Customisation available by screen print transfer, MSO transfer, DTF printing or flex. Can be ordered from one piece and our studio can vectorise or retouch your logo for production.
