DESCRIPTION

This pouch is made from recycled polyester with a matte polyurethane coating that repels water, offering a clean rectangular shape suitable for accessories or toiletries. The structured volume and twin-zip closure provide easy access, and a detachable TearAway label makes re-labelling straightforward. The pouch is available in several colours such as Black, Clay and Nude Pink.

The matte finish and tidy construction give the pouch a minimalist, durable feel. A fabric tab with a snap on the side assists handling when opening. The interior is a single main compartment, easy to fill and to keep tidy thanks to the water-repellent surface.

As a personalised pouch it can be marked by screen transfer, MSO transfer, DTF printing or flex. Suitable for companies, sports clubs, associations, events and private customers, it can be personalised from one piece. Our graphic studio can edit or vectorise your logo to ensure the best printing result.
