DESCRIPTION

Unisex toiletry bag made from 100% recycled polyester with a matte polyurethane coating that repels water, ideal for organising toiletries and small items for travel or daily use. Its rectangular shape and wide zip opening provide easy access to the main compartment, and a side carry loop makes handling simple. Lightweight and durable, it can be wiped clean.

The matte finish gives a clean, modern look; the double-zip slider allows a wide opening. A detachable TearAway label makes re-labelling straightforward for corporate or event use. One Size suits most practical needs.

Personalise this toiletry bag for companies, clubs, associations, events or private gifts: we offer DTF printing, screen printing transfers, MSO transfer and flex. Available on a wide range of textile and customisable from a single piece in several colours (for example Black, Clay, Nude Pink).
