Composition	100%
Material	100% Recycled polyester
Average weight	240 g
Label	Tear-away (ideal for branding)
Labels and certifications	Recycled polyester
Country of origin	China
Carton	24 pieces

DESCRIPTION

A compact, structured washbag made from 100% recycled polyester with a matte polyurethane coating that repels water. Its rectangular shape and one-size design provide useful volume without bulk; the matte surface gives a modern, durable look. Suitable for everyday use, travel and organised storage in luggage or lockers.

The bag features a long top zip for easy access to the main compartment and a side carry handle for straightforward handling. Clean stitching and a firm construction help protect contents. Available in several colours such as Black, Clay and Nude Pink.

This personalised shopping bag can be customised from one piece using appropriate decoration techniques: transfer, DTF printing and flex. Recommended for companies, sports clubs, associations, events and individuals seeking a sober, practical branded item.
