DESCRIPTION

Minimalist travel bag made from recycled polyester with a matte polyurethane coating that repels water. The bag has a rectangular profile with a reinforced double base for improved structure and a longer top zip for easier access to the main compartment. Fabric handles and canvas straps include a padded snap-on grip for hand or shoulder carrying. An internal zip pocket keeps valuables separate. Available in several colours, for example Black and Clay.

Practical details include neat stitching along the base, zip pullers positioned for easy opening and a detachable TearAway label for simple re-labelling. The matte finish offers a clean, professional look and is straightforward to care for thanks to the water-repellent treatment.

This personalised shopping tote can be customised from one piece for companies, sports clubs, associations, schools and private customers. Possible techniques: transfer screen printing, DTF printing, flex. Free quote within 24 hours on weekdays; our studio can vectorise or retouch your logo.
