Composition	100%
Material	100% Recycled polyester
Average weight	145 g
Label	Tear-away (ideal for branding)
Labels and certifications	Global recycled standard
Country of origin	China
Carton	60 pieces

DESCRIPTION

The Ramble bum bag is a compact, everyday bag made from 100% recycled polyester (GRS certified). Its unisex one-size design allows it to be worn around the waist or across the body; the photo shows a rectangular front panel with a slightly padded look. It features a main zipped compartment and a zipped front pocket, plus a small zipped internal pocket and an internal key hook to keep essentials organised. Sturdy zipper pulls and cord details are built for frequent use.

Practical details include a top carry handle, an adjustable waist strap with a buckle as seen on the image, and two compression straps at the base. The removable label simplifies rebranding. Clean marks with a damp cloth and avoid harsh washing to protect the technical properties of the recycled polyester.

The Ramble can be personalised from a single piece and is suitable for companies, sports clubs, associations, events and private customers. Possible techniques: personalised bum bag using Transfer (screen transfer), MSO transfer, DTF printing or flex.

KEY FEATURES

- Sangle de ceinture réglable avec fermoir.
- Étiquette détachable pour faciliter le rebranding.
