Carton	24 pieces

DESCRIPTION

The Ramble tote bag is a unisex shopping (totebag) designed for everyday use. Made from recycled polyester, it combines a sturdy structure with a lightweight feel. Its square shape and full zip opening make loading groceries, work items or sports kit straightforward. Two long carry handles allow hand or shoulder carrying, while the adjustable, removable shoulder strap offers a crossbody option. The technical fabric is easy to wipe clean.

The bag features a front zipped pocket, elasticated side pockets and internal mesh compartments to keep belongings organised. Robust cord pulls and a detachable label simplify rebranding. Visible seams in the photo suggest a solid build suitable for frequent use.

This personalised tote bag can be customised from one piece using screen printing transfers, MSO transfer, DTF printing or flex. Recommended for businesses, sports clubs, associations, schools, events and private customers — our in-house design studio can retouch or vectorise your logo before production.
