DESCRIPTION

This one-size unisex shoe and accessory bum bag is made from durable polyester (100% polyester). Its vertical shape and large zip opening make storing trainers or sports items straightforward, and the interior is easy to clean. A top carry handle keeps it simple to transport, while ventilation eyelets help reduce moisture build-up inside.

The design includes a rear mesh pocket for small items and a visible reinforced base for stability when set down. Zip trims and edge reinforcements provide reliable daily use, and the synthetic fabric keeps maintenance low-effort.

This personalised bum bag can be personalised from 1 piece using screen print transfers, MSO transfer, DTF printing or flex. Suitable for companies, sports clubs, associations, events and private customers who need a practical, custom accessory. Available in several colourways such as Black, Bright Royal and Classic Red.
