DESCRIPTION

This round pouch in imitation leather (100% polyurethane) is compact and designed to serve as a keyring or bag charm. The saffiano-style fine grain gives a textured finish while the stitched edge keeps the shape neat; the front is padded enough to feel substantial without bulk. The pouch is available in several colours, for example Black, Mustard or Soft pink, and can be personalised from one piece.

For everyday use the shiny metal key ring and matching lobster clasp make attachment to a bag or keys simple. The flat, even face provides a practical printing area for centred logos or small designs, making it well suited to decorative branding.

Customisation techniques: screen printing transfer, MSO transfer, DTF printing and flex. Recommended for companies, clubs, associations, events and private customers looking for a decorative promotional item. Free quote within 24 hours on weekdays; collect at our Evere workshop or delivery in Belgium, France and Luxembourg.
