DESCRIPTION

This heart-shaped pouch is made from saffiano-effect PU (100% polyurethane) with a fine textured finish and a shiny metal keyring with lobster clasp. Compact and lightweight, it slips into a bag or attaches as a bag charm; care is limited to gentle wiping. Available in several colours, for example Black, Coral and Rose gold, it makes a tasteful small gift or promotional accessory.

The flat profile with stitched edges strengthens the shape and highlights the heart silhouette. The metal ring and lobster clasp allow easy attachment to keys or bag handles, while the saffiano texture helps resist everyday scuffs.

Customisable as a personalised trousse using Transfert Sérigraphique (screen printing transfer), Transfert MSO (transfer), DTF (DTF printing) or Flocage (Flex). Suitable for companies, sports clubs, associations, events and private customers. Orderable from one piece with artwork support available from our studio.
