DESCRIPTION

This PU leather pouch combines compact design with practical organisation: one size with an AirPod case secured by a snap, a zipped card wallet and a wrist strap for easy carrying. The textured leather-look material gives a refined finish while remaining suitable for everyday use to hold earphones, cards and small essentials.

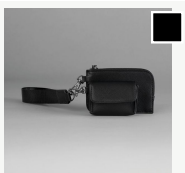

Details that matter in use include the main zip closure, a front pocket with flap and snap for quick access, and a detachable label for easy re-labelling. Metal clips and a sturdy strap ensure the pouch stays secure on the wrist without bulk.

This personalised pouch can be customised from one piece using screen print transfer, MSO transfer, DTF printing or flex. Well suited to companies, sports clubs, associations, events and private customers; request a free quote within 24 hours on weekdays and our design studio can vectorise or refine your logo.
