DESCRIPTION

This accessory pouch in PU faux leather features a compact rectangular shape designed for organising accessories and small items. The fine saffiano grain gives a structured look and good rigidity; the interior lining is soft to the touch. It comes in two sizes (M and L) and several colours, including Black and Oyster. A shiny metal zip and matching pull provide a secure, easy access closure.

The finish includes discreet stitching and reinforced corners that help the pouch retain its shape when set down. A detachable TearAway label allows simple re-labelling. Care is straightforward: spot clean only and avoid harsh solvents to preserve the saffiano texture.

The personalised Trousse can be customised from one piece by screen printing transfer, MSO transfer, DTF printing or flex. Recommended for companies, sports clubs, associations, events and private customers looking for an elegant promotional item. Our studio can vectorise or retouch your logo before production.
