## DESCRIPTION

Sublimation patch designed for MOLLE systems, made from 100% polyester microfibre. This one-size 6-panel item features a surface optimised for HD sublimation and a full Rip-Strip™ backing for easy attachment to compatible bags, vests or caps. The polyester construction provides durability, flexibility and easy care.

The patch has stitched edges that keep the printable area taut. Compatible with MOLLE fittings and removable patch systems from Beechfield®, it allows quick repositioning or removal. One size, available in several colours (e.g. White).

This personalised 6-panel cap can be ordered from a single piece and suits businesses, sports clubs, associations, events and private customers. Customisation techniques offered: screen printing transfer, MSO transfer, DTF printing, flex and embroidery. Our studio can vectorise or retouch your artwork prior to production.
