Reference	BG873
Brand	Bag Base
Composition	100%
Material	100% Recycled polyester
Average weight	435 g
Labels and certifications	Global recycled standard
Country of origin	China
Carton	24 pieces

DESCRIPTION

Unisex tote bag in 100% recycled polyester, slightly padded to protect contents. It features a large main compartment with zip closure and a structured straight cut with reinforced stitching. The water-repellent fabric keeps maintenance easy and practical for everyday use.

The pictured model has long shoulder straps plus short carry handles. Front patch pockets and side pockets offer convenient storage for bottles and small items. A detachable label allows quick re-labelling.

This personalised tote bag can be customised from one piece on a wide range of textile using screen print transfer, MSO transfer, DTF printing or flex. Suitable for companies, sports clubs, associations, events and private individuals; our design studio can retouch or vectorise your logo.
