DESCRIPTION

Womens' round-neck dress designed for professional wear and comfort. Cut from a stretch jersey blend (67% viscose, 29% polyamide, 4% elastane), it offers a structured yet flexible fit with a straight silhouette and slightly defined waist. The mid-length sleeves and machine washable fabric at 30°C make it suitable for office uniforms, events and everyday professional use. Available in several colours including Black and Navy, sizes range from 34 EU to 46 EU.

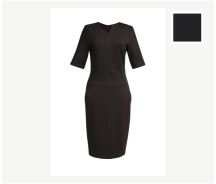

Practical details include a small notched neckline, an elasticated waist for added comfort and two zippered pockets to keep essentials close. Clean finishing and flat seams contribute to a professional look and reliable wear over time.

Personalised dress options are available for companies, clubs, associations and individuals using DTF printing, screen printing, transfer or flex. Our studio can vectorise and prepare your logo to ensure optimal results.
