DESCRIPTION

This unisex personalised T-shirt has an oversized, relaxed fit with dropped shoulders and short sleeves for a contemporary look. Made from heavy jersey 100% cotton, it features side seams for improved structure and double stitching at the neck, sleeves and hem for greater durability. It comes in multiple colours and sizes XS to 3XL.

The wide cut and reinforced finishes help the garment keep its shape despite the oversized style; the round neckline is sturdy thanks to the twin-needle stitching. The thick jersey provides durable wear and maintains its silhouette after repeated use and washing.

This personalised T-shirt can be ordered from a single piece and personalised using DTF printing, transfer screen printing, MSO transfer or flex. Ideal for companies, sports clubs, associations, schools, events and private customers — our design studio can vectorise or retouch your logo and we provide a free quote within 24 hours on weekdays.
