## DESCRIPTION

Men's oversized hoodie in heavy French Terry (460 g/m²). The roomy cut with dropped shoulders and extra-long sleeves gives a modern relaxed fit; the hood is generous and the front kangaroo pocket adds functionality. Wide ribbing at cuffs and hem provides solid hold, and the no-label finish simplifies rebranding.

Designed for everyday wear, the hoodie keeps its shape thanks to the wide ribs and clean seams that enhance durability. Care as per standard cotton garments; available in multiple colourways such as Black and Ready for dye, and in sizes S to 3XL.

This personalised hoodie can be customised from one piece on a wide range of textile. Customisation techniques available: embroidery, screen printing, DTF printing, transfer and flex. Suitable for companies, sports clubs, associations, events and private customers — our graphic studio can retouch or vectorise your logo before production.
