DESCRIPTION

This unisex round-neck T-shirt features an oversized cut with dropped shoulders for a relaxed, modern fit. Made from heavy 100% cotton jersey, it gives a structured feel thanks to side seams that improve shape retention. The crew neck and generous sleeves add everyday comfort; the style comes in several colours including Black and White and is available from XS to 3XL.

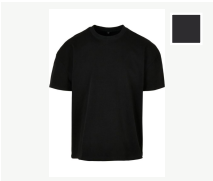

The wide cut is evident in the broader sleeves and straight hem; finishes are clean with a narrow neckband and visible side seams that help the garment keep its shape after washing. It is supplied without a label, making rebranding straightforward.

This personalised T-shirt can be ordered from one piece. Customisation techniques offered: screen print transfer, MSO transfer, DTF printing and flex. Suited to companies, sports clubs, associations, events and private customers looking for a thick, customisable T-shirt.
