DESCRIPTION

This men's crew neck T-shirt features an oversized cut in 100% cotton jersey with a substantial weight that gives it durable structure. The design shows dropped shoulders and a ribbed neckline for comfortable wear, while an acid-wash effect provides a distinct vintage look. Available in 1 colour (Black) and sizes S to 3XL.

The no-label finish simplifies rebranding for corporate or club orders. Visible details include wide short sleeves and pronounced seam lines at the shoulders and hem, reinforcing the relaxed silhouette while maintaining shape in use. Care: follow standard cotton washing guidelines to preserve the washed appearance.

This personalised T-shirt can be marked by Screen Printing transfers (Transfert Sérigraphique), Transfert MSO, DTF printing or flex. Suitable for companies, sports clubs, associations, events and private customers; customisation is possible from one piece and our graphic studio can vectorise and refine your logo for production.
