DESCRIPTION

Men’s softshell with a straight cut and a stand-up collar, designed for outdoor use. Its two-layer construction pairs a water-repellent, slightly stretch outer shell (96% polyester, 4% elastane) with an anti-pilling microfleece inner layer for thermal comfort. The jacket features a full zip, two zipped front pockets, two inner pockets and reinforced double-stitched seams. Available in several colours such as Atoll/Ghost Grey, Black/Black and Navy/Neon Green, in sizes S to 3XL.

Personalised softshells can be produced from a single piece and are suitable for DTF printing, screen transfer (Transfert Sérigraphique), MSO transfer, flex (Flocage) and embroidery. Recommended for companies, sports clubs, associations, events and private customers — easy access for decoration on the front, back and sleeves ensures precise branding.
