DESCRIPTION

This unisex lab coat (stated length 96.5 cm) is designed for medical and professional use. Woven in a twill of 65% polyester / 35% cotton, it delivers a structured feel while remaining easy to care for during daily wear. The straight cut and long sleeves provide good coverage and comfort for routine professional tasks.

The coat features a notched collar and a full button front, with three practical pockets: a chest pocket and two front pockets large enough for a tablet or everyday tools. Side access slits improve mobility and an elastic badge loop is included for identification. Available in a range of sizes (XXS to 3XL) and offered in multiple colour options, including white.

This personalised Blouse/Veste can be customised from one piece using screen printing, transfer, DTF printing, flex or embroidery. Suitable for hospitals, clinics, laboratories, schools, associations and individuals seeking a professional, identifiable garment.
