DESCRIPTION

The Nobo Christmas stocking in PP (36 x 19 cm) is designed to hold small gifts and sweets at seasonal events. Its tall sock silhouette with a folded cuff and a small hanging loop allows easy placement on a wall, mantelpiece or tree. The material has a slightly textured, lightweight feel and requires no special care.

The folded cuff and hanging loop are useful details: the cuff makes filling straightforward and the loop ensures secure hanging. With a soft, non-rigid construction the stocking remains flexible and fits into tight spaces or larger gift containers. Compact dimensions suit small items and confectionery.

Personalise this decoration using flex, multicolour transfer, DTF printing and embroidery. Suitable for companies, clubs, associations, schools and private individuals preparing seasonal gifts. Minimum order: 125 pieces (colours and sizes combined). Personalised decoration.
