DESCRIPTION

The Bono Christmas hat is made from PET non-woven and functions as a lightweight seasonal decoration. Its classic conical cut features a broad folded brim and a pompom, making it easy to use at events or hand out as a festive giveaway. Measuring 42 x 30 cm, the hat offers noticeable presence without taking up much space and stores flat for convenient transport.

The folded brim provides structure at the base while the pompom completes the traditional look. The PET non-woven fabric requires minimal care and suits temporary use at markets, parties or promotional activities; avoid prolonged exposure to moisture to maintain shape.

This personalised Christmas hat is suitable for companies, clubs, associations, events and individuals. Available customisation techniques: flex, embroidery, multi-colour transfer and DTF printing. Minimum order: 125 pieces (colours and sizes combined); smaller quantities can be produced for an extra fee. Free quote within 24 hours on weekdays, standard production, and option to collect from our Evere workshop or delivery in Belgium, France and Luxembourg.
