DESCRIPTION

6 cm PET hanging decoration, supplied as a set of six festive shapes (tree, snowflake, bell, stocking, poinsettia and reindeer) designed for seasonal indoor use. The felt-like PET material offers lightweight durability and clean die-cut edges; care is limited to gentle dusting. Each piece comes with a cord and small bead for quick hanging.

The ornaments feature precise cut-outs and punched details that add depth without fragile seams. The adjustable cord with bead ensures secure attachment to branches or gift packages. Compact 6 cm size makes them easy to combine with other decorations for events or retail displays.

Customisation options include pad printing (tampography), doming, digital printing, screen printing for objects, multicolour transfer and DTF printing. This personalised decoration is suitable for businesses, clubs, associations, schools and promotional events. Minimum order: 150 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; in-house graphic studio can retouch or vectorise your logo. Collection from our Evere workshop or delivery in Belgium, France and Luxembourg.
