DESCRIPTION

This star-shaped LED decoration in PVC is designed as a compact seasonal gift or promotional item, measuring 9 x 4 x 8.5 cm. The lamp cycles through several colours (white, blue, purple, red, yellow and green) and is powered by three LR44 batteries supplied with the product. Its smooth, rounded star form makes it easy to handle and position on a shelf or desk. PVC is straightforward to maintain with a damp cloth.

The piece has a flat base for stable placement on flat surfaces and a discreet battery compartment for simple replacement. Lightweight and easy to display, it is practical for giveaways, event merchandising or point-of-sale promotions.

Customisation is available by pad printing. This personalised decoration suits companies, clubs, associations and event organisers seeking a small branded gift. Minimum order: 50 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; standard production applies and items can be collected at our Evere atelier or delivered in Belgium, France and Luxembourg. personalised decoration
