DESCRIPTION

Slate tree-shaped hanging decoration designed for seasonal or sheltered indoor display. Measuring approximately 10 x 8.5 x 0.4 cm, it features a matt, slightly textured slate surface and a braided cord for easy hanging. Care is simple with a soft cloth; the slate suits decorative use where it is protected from harsh weather.

The piece has clean-cut edges and a stylised three-tier tree silhouette. The cord allows quick attachment to a branch, handle or display. Available in several colours, for example black, grey and natural, it keeps an understated, handcrafted look that fits many interiors.

Personalisation is possible by laser engraving or pad printing (tampography). This personalised decoration is appropriate for companies, clubs, associations, events and private customers. Minimum order: 50 pieces (colours and sizes combined). We provide a free quote within 24 hours on weekdays and offer a graphic studio service to vectorise your logo for production.
