Tea filter in star shape

Ref. CX1435

Reference	CX1435
Composition	Stainless steel
Material	Stainless steel
Average weight	0.018
Dimensions	5 x 6 x 1CM
Country of origin	China
Carton	400 pieces

DESCRIPTION

Star-shaped stainless steel tea infuser designed for brewing loose-leaf tea in a cup or teapot. Its compact dimensions (5 x 6 x 1 cm) and stainless-steel construction make it practical to use and easy to clean — simply rinse after use. Suitable as a corporate giveaway or for promotional events.

The infuser opens on a hinge for easy filling, while the perforated surface ensures even water flow through the leaves. It includes a short chain and a small rest to place the infuser between uses without dripping on surfaces. The polished finish is smooth and food-contact appropriate.

Personalise this item with laser engraving or pad printing for companies, clubs, associations or events. Our design studio can vectorise your logo; minimum order 200 pieces (colours and sizes combined). personalised tea infuser
