## DESCRIPTION

Decorative paper garland with wooden star elements, presented on a cardboard card, designed to add a cosy accent to shop windows, event stands or client gifts. This non-textile item measures 15 x 8.2 x 2.3 cm and contains 20 small star-shaped LED lights. The LEDs run on 2 AA batteries (not included) and the garland is supplied in a cardboard box for easy packaging and storage.

The transparent battery box features an on/off switch; the thin wire and wooden stars give a compact, natural finish suited to warm or eco-minded displays. There is no textile care required; handle gently and remove batteries during extended storage to preserve the LEDs and components.

Personalisation options include digital printing, doming and pad printing, making this garland a practical choice for companies, clubs, associations, events and promotional gifts. Item cannot be ordered individually: minimum order 72 pieces (colours and sizes combined).

## COLOURS (1)

Wood
