Christmas ball for sublimation

Ref. CX1466

Reference	CX1466
Composition	PP
Material	PP
Average weight	0.013
Dimensions	Ø6 CM
Country of origin	China
Carton	200 pieces

DESCRIPTION

The Happy Ball bauble is a glossy PP decoration with a diameter of Ø6 CM, designed for seasonal displays and festive decor. Its round, smooth surface provides an elegant hanging ornament for trees or garlands, and the central plaque is prepared for sublimation to ensure a sharp, durable print. The size and material make it lightweight and easy to suspend.

The model is available in several colours (Red, Silver, Gold) and comes with a small eyelet and hanging cord. The polished finish enhances printed artwork and gives accurate colour reproduction. Clean with a soft, dry cloth and avoid harsh chemicals to maintain the shine.

Customisable from 100 pieces (colours and sizes combined), this personalised decoration can be marked by sublimation, digital printing, doming, pad printing or laser engraving. Suitable for companies, sports clubs, associations, events and private individuals. Free quote within 24 hours on weekdays; collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
