DESCRIPTION

Soft-touch PET plush, model Rudolph, featuring a removable hooded jumper. Compact and seated (15.5 x 12 cm), it's designed for easy handling and merchandising during seasonal campaigns. The product comes in several colourways, for example Red and White. Surface cleaning is recommended to preserve the plush finish and the detachable hood.

The jumper is removable and straightforward to take off, allowing changes of branding or cleaning. Visible stitching on the hooded jumper suggests practical durability for regular use; its compact shape makes it simple to display on counters or in stands.

Customisation available by DTF printing, multicolour transfer, flex or sublimation, suited to applying a logo onto the hood or jumper. Intended for companies, clubs, associations, events and corporate gifts; minimum order 50 pieces (colours and sizes combined) — smaller quantities can be arranged with additional fees. Free quote within 24 hours on weekdays and a graphic studio is available to rework or vectorise your logo. personalised product
