Country of origin	China
Carton	400 pieces

DESCRIPTION

Round stainless steel decoration designed for hanging: a series of metal rings that fold around a central sphere, suspended by a ribbon. This unisex seasonal ornament is suitable for Christmas trees, shop displays or gift presentations; its compact dimensions (8.9 x Ø8 x 0.05 cm) keep it discreet yet visible. The stainless steel construction provides solid form and is easy to keep clean with a soft cloth.

The decoration is foldable into an attractive ball and is supplied in a gift envelope for immediate presentation. The metal finish and hanging ribbon make installation straightforward, while the stainless material ensures low maintenance and lasting appearance.

Customisable by digital printing, doming, laser engraving, pad printing and screen printing on objects, this personalised decoration is suitable for companies, sports clubs, associations, events and private customers. Minimum order: 200 pieces (colours and sizes combined) — smaller quantities can be produced for an additional fee. Free quote within 24 hours on weekdays; standard production and delivery options are available from our Evere workshop.
