DESCRIPTION

This MDF bauble decoration, model Baly, measures 8.9 x Ø6.9 x 0.2 cm and comes with a jute hanging cord. As MDF is a natural material, small variations in colour and size may occur between items, which can affect the final appearance. It is suitable for tree hanging, garlands or as a small gift tag.

The ornament has a flat, smooth surface with cut edges and a pre-attached cord for immediate use. The compact dimensions make it easy to handle and store; surface cleaning is quick with a dry cloth.

This personalised decoration can be marked by laser engraving, pad printing or screen printing on objects. Recommended for companies, sports clubs, associations, events and private customers looking for seasonal gifts or promotional items. Minimum order: 1500 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; our graphic studio can retouch or vectorise your logo.
