DESCRIPTION

Wooden tree-shaped decoration designed as a seasonal hanging ornament for Christmas trees or gift packaging. The Arby model is cut from MDF with a smooth surface that may show natural material variations; its compact size (7.9 x 6.3 x 0.2 cm) makes it a lightweight, unobtrusive item ready to hang from the included jute cord. Care is straightforward: dusting and storing away from moisture to maintain its appearance.

The silhouette features a reinforced hanging hole with a natural fibre cord already attached for immediate use on branches, parcels or displays. Note that MDF can exhibit slight colour and size variations between pieces, giving each decoration a subtly individual look that should be considered for branded projects.

Personalise this personalised decoration using laser engraving, pad printing or screen printing on objects. Suitable for businesses, sports clubs, associations, events and private customers ordering in bulk: minimum order 1500 pieces (colours and sizes combined). Free quote within 24 hours on weekdays and a graphic studio is available to vectorise your logo.
