Reference	CX1481
Composition	Wax
Material	Wax
Average weight	0.132
Dimensions	10 x 9.5 x 6,8CM
Country of origin	China
Carton	50 pieces

DESCRIPTION

This cylindrical pillar candle sits in a decorative wooden star base, designed for indoor decorative use. The candle is made of scented wax with a vanilla fragrance and the wooden holder keeps the candle stable while adding a natural touch. Its compact dimensions (10 x 9.5 x 6.8 cm) make it simple to place on tables, sideboards or mantels. As wood is a natural material, slight variations in colour and grain may occur between items.

The star-shaped wooden base features a recessed centre sized for the cylindrical candle; edges are smoothly finished while retaining the material's warm appearance. Care is limited to dusting the wooden base with a dry cloth and avoiding prolonged exposure to moisture. Never leave a burning candle unattended.

Customisable for corporate gifts, events, associations and welcome packs: marking available by laser engraving on the wooden base or by pad printing depending on the surface. Minimum order: 25 pieces (colours and sizes combined). Our graphic studio can prepare or vectorise your artwork and we provide a free quote on weekdays.
