DESCRIPTION

Set of 3 stainless steel cookie cutters supplied with jute cords for easy hanging. The cutters are suitable for shaping fresh cookie dough or serving as decorative tree ornaments. Compact dimensions (10 x 6.7 x 2.3 cm) make them easy to store and handle; the stainless steel construction offers lasting strength and straightforward hand washing.

The jute loop allows each cutter to be suspended on a Christmas tree or included in a gift box. The formed edges cut dough cleanly without distortion, and the matte finish gives a tasteful, understated look that suits seasonal packaging.

These items can be personalised as promotional gifts using tampography, digital printing or screen printing on objects. Ideal for companies, sports clubs, associations, seasonal events and private customers wanting a useful, festive giveaway. Minimum order: 25 pieces (colours and sizes combined).
