DESCRIPTION

A set of six beech wood Christmas decorations, model Chriset, supplied with jute cords for easy hanging on trees or gifts. Each ornament has a different silhouette (bauble, star, tree, stylised snowflake, etc.) and a natural, unfinished surface. Approximate size 7.6 x 8.5 cm; care is simple — dust with a dry cloth. Presented in a kraft box, they provide a warm, sustainable wooden look.

The cut edges are clean and the wood grain makes each piece unique in everyday use. The jute hanging cord is long enough for branches or gift packaging. Suitable for indoor seasonal décor and promotional gifting.
