DESCRIPTION

This paper gift bag, model Sparkle, measures 25 x 11 x 32 cm and is designed to present a gift neatly. It features a straight cut with a flat base for stability and twisted cord handles finished with a star-shaped tag. The material is paper and the bag is intended for single or repeated use depending on handling.

Details that matter: sturdy cord handles firmly attached and a decorative star tag for a refined touch. The repeated star pattern gives a seasonal, festive look suitable for events and celebrations. The dimensions accommodate a boxed gift or several small items without significant deformation.

Customisation is available by digital printing and screen printing, making it ideal for companies, clubs, associations, events and private customers who need a personalised gift bag. Minimum order: 50 pieces (colours and sizes combined).
