The Forest glass tealight holder is made from soda-lime glass and comes with a tealight candle, offering a natural decorative accent for seasonal displays. Its cylindrical shape and compact dimensions (10 x 8.5 x 8.5 cm) make it easy to position on tables or in gift sets. The item is presented in a cardboard box with a PVC window, jute cord and kraft tag, ready for gifting or event distribution.

The holder features an attached botanical-style decoration and a clean finish at the rim. Its size suits centrepieces and promotional gifts; maintenance is limited to wiping the glass once the candle has burned out.
