DESCRIPTION

Wooden tabletop Christmas tree decoration to assemble, model Silueta, sized 16x16x19.8 cm and supplied with 10 small hanging ornaments. Made from plywood, the interlocking panels form a compact, freestanding shape suitable for office desks, reception areas or home displays. Care is straightforward: dust with a dry or slightly damp cloth.

The tree features circular cut-outs and small perforations designed to hold the included ornaments; assembly is tool-free thanks to the slotted construction. Laser-cut edges give a subtle tonal contrast and stable panel fit. This wooden piece is intended for short-term interior use and seasonal events where a lightweight, easily stored decoration is required.

Customisation options include digital printing, doming and laser engraving. The Silueta is ideal as a personalised decoration for companies, sports clubs, associations, events and private customers seeking a seasonal gift or promotional item. Minimum order: 50 pieces (colours and sizes combined). Free quote within 24 hours on weekdays and a graphic studio is available to vectorise your logo.
