DESCRIPTION

The Baubli glass bauble (Ø 8 cm) is a seasonal decoration featuring a jute hanging cord and a string of 8 warm white/yellow LEDs powered by 2 AA batteries (not included). Lightweight and versatile, it can be hung or placed as a tabletop ornament to add a natural, rustic touch to a home or festive display.

The clear glass body paired with the jute rope creates an artisanal look. The sturdy cord makes hanging straightforward and the battery pack allows cordless use. Handle with care and avoid immersion in water to preserve the finish and light function.

This personalised decoration can be marked by tampography (pad printing). Suitable for companies, clubs, associations and event organisers looking for seasonal gifts or promotional items. Minimum order: 60 pieces (colours and sizes combined); smaller quantities may be possible with additional fees. Free quote and in-house design studio available to retouch or vectorise your logo.
