## DESCRIPTION

Seed-paper decoration in a round shape (8 x 7 x 0.2 cm), designed to adorn a Christmas tree or home. The paper is embedded with a wildflower seed mix so that, after use, the ornament can be planted to grow a meadow of flowers. Lightweight and flat, it is easy to hang from twine or include in gift packaging. Material: paper.

The circular disc with its jute hanging cord provides a simple, secure suspension; a small punched hole reinforces the attachment. The finish is intentionally plain for seasonal display and subsequent planting. Its compact size makes it suitable as a promotional gift or event giveaway.

Customisation by pad printing is available. This decoration suits companies, clubs, associations, events and private customers seeking an eco-friendly giveaway. Minimum order: 100 pieces (combined colours and sizes); smaller quantities may be possible with additional fees. Free quote within 24 hours on weekdays and our graphic studio can vectorise or refine your logo. Standard production 10 working days; collection in Evere or delivery in Belgium, France and Luxembourg.
