DESCRIPTION

These Funcool wooden decorations are personalised decorations suited for seasonal activities, school workshops or corporate gifts. The set includes three wooden shapes of approximately 9x9cm, supplied in a kraft box with four colouring pencils and a hanging cord. The wood is a natural material with slight variations in tone and texture; the pieces are left raw for easy colouring and light crafting, and should be kept dry to preserve the finish.

The design is straightforward: cut outlines, a drilled hole for hanging and pre-printed colouring motifs on the front. The compact packaging makes them convenient to hand out at events or to use in classroom activities. Suitable for craft sessions, school projects, Christmas markets and association events.

Customisation is available by pad printing (tampography) or digital printing to add a small logo, date or simple artwork. Minimum order: 50 pieces (colours and sizes combined). Recommended for businesses, clubs, associations, schools and private customers looking for a festive, customisable item.
