DESCRIPTION

Round acacia serving board with a small handle and PU cord, designed for presenting cheeses, cold cuts or starters. Its flat profile (Ø19 x 26 x 0.9 cm) and integrated handle provide a comfortable grip and easy hanging. The acacia wood gives a natural finish and requires simple care: hand wash and air dry to preserve the grain and stability of the material.

The board is made from joined strips for dimensional stability, with smooth, rounded edges and a subtle notch extending from the handle to aid serving. The surface is finished for everyday use at events or receptions and contains no removable parts. Available in a natural wood finish.

Personalisation is done by laser engraving; this personalised serving board is well suited to companies, clubs, associations and event gifts. Minimum order: 20 pieces (colours and sizes combined). Our graphic studio can retouch or vectorise your logo; free quote within 24 hours on weekdays, with collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
