DESCRIPTION

Set of two acacia wood trivets, model Scaglia, designed to protect surfaces from hot dishes. Each trivet measures 22 x 1.5 cm and shows the natural grain and warm appearance of the wood. Practical as a seasonal table accessory or for a coffee corner, it is easy to care for: wipe with a damp cloth and dry immediately.

The pair includes two complementary shapes (round and snowflake) with cut-out profiles and a solid thickness to insulate against heat. As a natural material, the wood may show slight variations in colour, pattern and size between pieces, giving each trivet a unique character.

Customisable by laser engraving (laser engraving) to add a logo, motif or message. Suitable for companies, sports clubs, associations, events and private customers. Minimum order: 15 pieces (colours and sizes combined); free quote within 24 hours on weekdays and a graphic studio is available to vectorise your logo.
