DESCRIPTION

Unisex acrylic beanie designed for the festive season, combining comfort and decorative detail. It features a wide cuff and a pompom, measuring 22 x 21.5 cm, and includes 6 LED lights with three adjustable brightness levels; one CR2032 battery is supplied. The soft knitted fabric offers comfortable wear; cold wash and lay flat to dry are recommended to keep shape.

The cuff provides a secure fit while the pompom adds a seasonal accent. The patterned knit is integrated into the fabric to avoid extra bulk. Available in several colours, for example Blue and Red, in a standard size suitable for most adults and teens.

This personalised beanie is a practical choice for corporate gifts, sports clubs, associations, schools or seasonal events. Customisation by embroidery is available; our studio can retouch or vectorise your logo. Minimum order 25 pieces (colours and sizes combined); free quote within 24 hours on weekdays and collection from our Evere workshop or delivery in Belgium, France and Luxembourg.
