Reference	CX1547
Composition	Metal
Material	Metal
Average weight	0.035
Dimensions	11,5 x 4,5 x 2CM
Country of origin	China
Carton	200 pieces

DESCRIPTION

This bottle opener is made from a zinc alloy and shaped as a Christmas tree, measuring 11.5 x 4.5 x 2 cm. The metal finish gives it a neat appearance and good hand-feel, making it suitable as a seasonal gift or table decoration at festive events. It is easy to maintain with a soft cloth to preserve its sheen.

The piece features engraved motifs and cut details that add texture while keeping a slim profile. Its compact, flat format makes it simple to include in a gift bag or promotional bundle for Christmas markets and corporate parties.

This personalised decoration can be marked by laser engraving or pad printing (pad printing), perfect for adding a logo, date or short message. Minimum order: 100 pieces (colours and sizes combined). Suitable for companies, clubs, associations, events and private customers; our graphic studio can refine your logo and we provide a weekday quotation.
