DESCRIPTION

Compact wooden decorative nutcracker (7 x 6.5 x 25.5 cm) designed for seasonal display. The figure features an elongated profile with a tall hat, defined torso, attached beard and moustache, and a small drum held at the arm. The solid wood construction provides good stability and a warm tactile finish; care is limited to occasional dusting with a soft cloth and avoidance of harsh cleaners.

Detailed carving and painted accents emphasise facial features, epaulettes and the stable square base, giving a refined appearance. Its vertical proportions suit shelf, table centrepiece or reception displays in shops, offices and event settings.

The piece can be personalised by laser engraving or pad printing to add logos, initials or small graphics. Suitable for companies, sports clubs, associations, events and private clients for corporate gifts or promotional decorations (minimum order: 20 pieces). personalised decoration.
